GOVERNMENT'S MOTION TO SEAL INDICTMENT

The United States of America ("the government"), by and through the United States Attorney for the Northern District of Texas, moves for an order sealing the Indictment returned by the grand jury in the above-captioned criminal case.

The government requests that the Indictment remain sealed until such time as the defendants named in the Indictment are apprehended and make an initial appearance in federal court, or until further order of the Court. The government believes that the public release of the names of the defendants who have not been apprehended would undermine the pursuit of justice and possibly allow the defendants to flee, destroy evidence, or obstruct justice. The government, however, requests that it be allowed to

provide a defendant with a copy of the Indictment after the defendant is apprehended.

Respectfully submitted,
